Talent Wednesday Information

December 2012

Dear Families and Students,

It's time to be thinking about Talent Wednesday! Each year, Anser students are invited to share their talents with the Anser Community during Whole School Community. Our first Talent Wednesday will be held on January 4 (the first Wednesday we return from Winter Break).

In the past, Anser has experienced talents that were incredible; students who were ready to perform at their best. It was very evident they took their performance very seriously and as audience members we were highly entertained. Unfortunately, we've also experienced talents that were put together at the last minute and little practice time was evident in order to have a peak performance. We discourage skits as it is very difficult to hear the performers when there is only one microphone and many audience members got lost in the performance.

As a staff, we are asking all families to take an active role in helping their children be ready for a wonderful and exciting event. In order for your child to be considered for Talent Wednesday the following criteria must be met.

Criteria for January 4, 2012 Talent Wednesday:

1. Performance must be no longer than 90 seconds
2. Student/s must complete the attached Talent Wednesday form before the deadline – Thursday, December 15, 2012 **No entries will be accepted after that date**
3. Student needs to have practiced in order to give the best performance possible and entertain the audience **This responsibility falls on the family and the student to make sure he/she is ready to perform**
4. Families need to be responsible for all equipment and items the student may need to be successful in his/her performance. *We will have the microphone set up and ready. We do have a digital piano that has been donated to us and we also have a CD player in the gym that can be used. Please prepare ahead of time in setting any equipment up and trying it out to make sure things work.*

We look forward to our first Talent Wednesday of the school year!
