

ANSER CHARTER SCHOOL
SPRING *auction*
AND **CELEBRATION**

APRIL 28
AT PAYETTE BREWING

**The Spring Auction and Celebration will be held
Friday April 28th and we are taking it Old School! Literally!**

Join us at Payette Brewing (Anser's old location) for a casual, low key evening of socializing and raising money for Anser! We will have local food trucks, indoor and outdoor space to gather, music and more!

The evening will roll out a little differently than past auctions.

We are changing up what items you will see at the event, bringing in some new ideas generated by Anser parents and shortening the timeline of the auction so we can spend more time together! Think Food trucks and fire pits, jeans and fleece, music and friends.

This night is a celebration of who we are!

How can you contribute to the success of this Celebration?

Anser highly encourages each family to contribute an auction item or service. You can either donate or solicit these items. Get creative! Try to think of a donation item that YOU would like to have or experience! Once you have your donations ready, pair it with the attached Donation Form.

Need help coming up with an idea?

Check out the sign up genius! We have targeted some specific donations we think will be a hit!

Going to solicit a donation?

Sign up for it on the Sign up Genius so we don't duplicate our efforts!

See the Flight Plan for the Sign Up Genius Link

Donations can be turned into the front office & are due by March 23rd
