Thank you to our dedicated teachers for volunteering their time to make these special activities available for our students. Thank you to our incredible team of auction volunteers working hard to make this year's event a success.

We hold an auction each year to fill the 35% funding gap Anser faces due to a lack of levy tax funding. You can't support Anser with your vote in a levy election ballot box, but you can support Anser by supporting the Auction! Anser is your school of choice. Choose Anser again by attending the auction! We will see you there!
