

CONTINUOUS IMPROVEMENT PLAN AND ANNUAL REPORTING 2016-2017

History: When Anser Charter School was granted a charter by the Boise School District in September 1998, the school's founders set their sights on the future. The focus of the school was to open and operate an exemplary school based on Expeditionary Learning-Outward Bound design principles. In its first decade, Anser staff, parents, and Board built a school with a unique curriculum and a reputation for academic success, service to the community, and strong character. With the educational infrastructure firmly in place, the Anser community moved to strengthen the school's financial underpinnings and organizational infrastructure. Anser begins its second decade in a new facility, bringing new opportunities and challenges which are reflected in the strategic direction for years 15-20.

Vision: Anser's vision is to foster learning that imagines a better world and works toward realizing it; set high academic standards; promote creativity, discovery, reflection and balance; embrace diversity; and use developmentally appropriate practices and real-world experiences to educate within a climate of collaboration, community, character, and compassion.

Mission: Anser's mission is to educate the whole child in a collaborative learning community where individuals are inspired to achieve their academic potential, be self-motivated and feel a sense of connection and responsibility to the world.

Continuous Improvement Plan Annual Implementation and Review: The Board will review the Continuous plan monthly and update it annually.

Anser Charter School Goals, Student Achievement and Leadership for SY 2016-2017

Family Council	Finance Committee	Facilities Committee	Resource Develop. Committee	Marketing Committee	Governance Committee	Education Committee	Executive Committee
Provide a conduit for parental input into school-wide policies, ongoing development and governance. Offer an impartial voice to staff/Board on concerns parents bring to them. Conduct activities for families and link families to activities/volunteer opportunities	Oversee fiscal management of the organization	Provide for mainte- nance of the Anser facility	Assist staff with planning and implement -ing fund raising, grant acquisition and partnershi p develop- ment	Help Anser communicate who they are to donors and potential donors; parents and potential parents; and educators	Oversee recruit- ment, retention, and training of school volunteer leadership , including the Board and committee s and oversee Anser policies and procedure s	Oversee education staffing and curricula related matters	Transact the business of the Board for all actions delegated to it by the Board. Provide leadership on all Anser issues.

Anser's Strategic Direction: The Anser Board, staff, and parents will position the school for long term sustainability. Five major initiatives support this overall objective. The Anser Board is responsible for establishing strategic direction and monitoring progress. Family Council represents the voice of the parent community, communicating needs and suggestions to the Board. The Anser staff provides professional support for the initiatives. This document assists the staff in clarifying organizational priorities.

	Outcomes for 20	016-2017 Goals
Initiative	Goal	Outcome
1	Anser students' ISAT results will meet or exceed the State and Boise School District. ISAT results	Anser's ISAT results met or exceeded the State and BSD results. Scores are included in this report.
1	Evaluate JH Recess Opportunities	A student action committee was convened by the Education Director to receive input on additional JH Recess Opportunities. An additional piece of play equipment designed for older students was installed.
1	Implement 4 year graduation plan for students	A 4 year graduation plan was developed and implemented by the Anser Student Support Specialist.
3	Develop financial reporting that meets the needs of the board and lenders.	The monthly Budget Report was revised based upon Board member feedback.
3	Create a Salary Schedule for Administrators	Work on this goal continues in 2017-2018.
3	Assess the long term impacts of the Career Ladder	The Career Ladder and its long term implications were reviewed by the finance committee. Further work to develop a multi-year approach to the salary schedule as a result of Career Ladder impacts is ongoing.
4	Communicate the value of Anser's current size, and any future plans to current and prospective families	No additional programs were planned that needed to be communicated to families or prospective families.
4	Update Anser website	The Marketing committee reviewed competitive sites to ascertain attributes to include in the new site. A parent committee gave feedback on the current site and items to include on the new site. Google Analytics were reviewed to understand which pages were of most interest. After interviewing three candidates, Jedsplit Design was selected and the website was updated and launched.
4	Perform marketplace analysis and provide collateral materials as needed for marketing purposes	A market analysis was performed and as a result the Marketing committee sought out SEO optimization services and developed additional radio advertising materials. Additional marketing materials may be needed

		for print advertisements and parent education in the future.
5	Develop Criteria for awarding Teacher Scholarship	The Education Assistance Fund policy was developed and implemented.
5	Codify and align the process for evaluation of the Education Director and Organization Director	The process of evaluating the Education Director was completed. Additional time is needed to complete the process for the Organization Director.
5	Update the Employee Handbook and provide staff training in September.	The Employee Handbook was revised and training will occur in October

Additional Data

• Note: Anser experienced a high volume of internet outages during the period of testing for 3rd -6th grade. The students testing during this time had their testing interrupted and had to restart multiple times. Anser had to request a testing extension from the State due to the issue. After replacing our modem, firewall, content filter and changing the port we used, the problem persisted. Our service provider, Cableone, could not identify the problem, so paid for an outside consultant to investigate. Every remedy suggested by the consultant was implemented but did not work to resolve the issue. Cableone replaced the entire cable line coming in to Anser, which resolved the problem, in June. We believe that the internet challenges impacted the scores for these students. As a result, we are also providing their STAR scores for what we feel is a more accurate depiction of their abilities.

Comparing ISAT data versus STAR data for SY 2016-2017	STAR 16-17	16-17
