

Every student who applied by 1 PM on Feb 16th was entered into the lottery. Applications were drawn in random order, according to priority groups:

First Priority – children of founders and full-time employees

Second Priority – siblings of students already enrolled or selected by the lottery

Third Priority – students who reside within the Boise School District boundary

Fourth Priority – students who reside outside of the Boise School District boundary

The results will be posted to our website and on our front door by Friday, Feb. 19th. The grade levels were drawn in the following order: 7, 6, 1, 8, 4, 3, K, 5. Due to continual changes to the waitlist, only the original lottery list will be published. Please allow two weeks or more to receive an enrollment offer via phone and email. After mid-March, feel free to contact the school to check your status on the waitlist.

Over the next few weeks, offers of enrollment will be made according to the number of openings in a particular grade level. For example, we have 36 openings in Kindergarten this year. The first offers go to founders and full-time employees, then siblings of enrolled students, then students who live within Boise School District boundaries, until all slots are full. If any openings remain, offers will then be made to students residing outside of the Boise
